Denmark

About 45 women gathered to study God's Word at the **Danish Inspiration Day** in May.

Andrea, National Leadership Team President of UK Know Your Bible, and Maureen, UK KYB Studies Director were invited to speak and to give the KYB input at the day conference.

The event was a wonderful time of fellowship and learning, and organisers are keen to plan another Inspiration Day.

Pray that KYB studies can be promoted and used further afield in Denmark to help women grow in their spiritual lives and their relationship with God.

News in Brief

- * 2011 is the 30th anniversary of KYB in Papua New Guinea. Australia will mark 40 years of KYB in 2012.
- * Two members of the UK KYB National Leadership Team who visited Denmark for the Inspiration Day also talked about the KYB ministry at a church service.
- * June 13-19 was Know Your Bible Week, to promote KYB in the UK.
- * In Cyprus a KYB group has begun among women whose husbands are serving with British defence forces.

United Kingdom

Sneaton Castle, near Whitby, was the lovely venue for the first **KYB Residential Conference** to be held in the north of England.

CWCI International President Julie Alexander (Australia) also attended. The women really appreciated hearing about the worldwide ministry of KYB from Julie.

The next UK residential conference will be held in March 2012 at Brunel Manor in Torquay, England.

Forty ladies enjoyed the blessings of rich fellowship, teaching, fun and friendship during this weekend in May.

Speaker, Anne le Tissier led four challenging sessions from Philippians on the theme *Contentment in all Circumstances?*

The women were encouraged, uplifted and refreshed, as well as challenged in their perspectives and relationship with Jesus.

CWCI International Board President, Julie Alexander, joins in the fun.

Russia

Tamara K. heard about KYB for the first time in autumn 2009 when her father invited Ludmilla to come to Volgograd and visit their church in Volzhskiy. Ludmilla came with KYB booklets and did a presentation. Soon afterwards ten

Bible study groups began to use KYB materials.

“We were happy to have that study,” says Tamara. “In a year we organised a seminar and Lyn Green (UK) was a speaker with Ludmilla. We continue to use KYB booklets, praising the Lord for the study. KYB changed our life. Women in the church became more active, more friendly, especially young women. I am very grateful to the Lord and you dear sisters.”

Tamara is now a very active leader of Bible study groups for young women in the church. She has a vision to

share KYB in other churches in Volga region. Please pray that Ludmilla and Tamara will be able to attend the Brunel Conference (UK) in March 2012.

Solomon Islands

In July oral KYB on Saber MP3 players was launched in the Solomon Islands to help people who are not yet able to read and write. Celebrations were held in Arabala and Canaan villages. There was prayer that God will mightily use the Sabers as women are able to learn from God's word by hearing the KYB studies.

KYB Translation Director, Diana, was invited to share in the celebrations. A KYB workshop was held in the village of Loina to introduce KYB into the
